

CAMP

Animal Care

Helping **KIDS** help animals

Our goal at Camp Animal Care is to educate young people about the proper care and treatment of pets. Campers will enjoy animal-related lessons and activities while having fun with other animal lovers! Camp activities include animal interactions, humane education lessons, service projects, group games, animal crafts, and daily presentations from local animal experts.

SAVE THE DATE!

June 20 - 23

Camp Hours: 9 am - 3 pm
Partners at Work - \$225

To learn more about camps and to register, visit the Education section of GreenvillePets.org.

Each camp will have a 5 camper minimum. If not met, all monies collected for that camp will be refunded.

Because of food related allergies, we are asking that children bring a bag lunch and drink. We will provide water for the kids!

To get involved as a Camp Counselor (must be age 16+), enroll your child, or if you have any questions, please contact Paula Church at: 864-467-3986 or pchurch@greenvillecounty.org
