I am aware of the requirements for the enclosure of a pool in accordance with Section 305 of the International Swimming Pool and Spa Code (ISPSC) titled BARRIER REQUIREMENTS, which has been adopted by Greenville County, and take full responsibility as the property owner for ensuring the pool fence is constructed in accordance with these requirements.

All swimming pools must conform to the 2015 International Swimming Pool and Spa Code (ISPSC). All swimming pools must be enclosed by barrier/gates. All doors with direct access to the pool, where the wall acts as a barrier, shall be equipped with an alarm. All barrier/gates/alarms will be inspected at the time of the final pool inspection. The barrier/gates/alarms must be in place before the final inspection of the pool is requested. Failure to comply with these requirements may result in fines exceeding \$1,000.00 per day of occurrence.
