

Greenville County Register of Deeds Website Search & Browser Compatibility

We are aware that some browsers have compatibility issues with our website search. We are working on a solution, but in the meantime we are providing a list of workarounds for various browsers. Thank you for your patience as we work toward a resolution!

Note: If you get this security warning when trying to view images on our website, click Allow.

Windows Browsers

Internet Explorer 8

- No known issues

Internet Explorer 9, 10 & 11

- Click Tools in the menu bar. (If the menu bar is not turned on, then right click in the tab area and select Menu Bar.)
- Click Compatibility View Settings.
- Add greenvillecounty.org to the list of compatible websites.

Mozilla Firefox

- No known issues

Google Chrome

- Use a plugin called “User Agent Switcher.”
 - To install, click the Customize icon at top right of the browser. Click Tools > Extensions. Click “Get more extensions” and search for “user agent.” Add the User-Agent Switcher extension to Chrome.
 - Each time you use the ROD search, click the User Agent icon at the top. Select Internet Explorer 8 from the list.

Mac Browsers

Safari

- Change the user agent setting.
 - In menu, click Safari > Preferences > Advanced. Check “Show Develop menu in menu bar.”
 - Each time you use the ROD search, click Develop in menu; then click User Agent > Internet Explorer 8.0.
- To view images, download as PDF – click the Save Image icon, type an X in the Name/Identifier box, click Next, click the PDF icon.

Mozilla Firefox

- To view images, download as PDF – click the Save Image icon, type an X in the Name/Identifier box, click Next, click the PDF icon.

iPad Browsers

AllInOneBrowser

- To view images, download as PDF – click the Save Image icon, type an X in the Name/Identifier box, click Next, click the PDF icon.

Terra Browser

- Click gear icon (settings) > User Agent > Firefox 12.
- To view images, download as PDF – click the Save Image icon, type an X in the Name/Identifier box, click Next, click the PDF icon.
