Attach Narrative Description

Describe the historic and current physical appearance and condition of the property. Describe contributing and noncontributing resources if applicable. Begin with a summary paragraph that briefly describes the general characteristics of the property, such as its location, type, style, method of construction, setting, size, and significant features. Note applicable areas of significance, periods, dates, persons, cultural affiliation, and/or architect/builder. Cite all books, articles, and other sources used in preparing this description. Include photographs documenting the appearance and condition of the site, and any building's interior and exterior.

List applicable criteria for historic designation:

1. Has significant inherent character, interest or value as part of the development or heritage of the community, state or nation
2. Is the site of an event significant in history
3. Is associated with a person or persons who contributed significantly to the culture and development of the community, state or nation
4. Exemplifies the cultural, political, economic, social, ethnic or historic heritage of the community, state or nation
5. Individually, or as a collection or resources, embodies distinguishing characteristics of a type, style, period or specimen in architecture or engineering
6. Is the work of a designer whose work has influenced significantly the development of community, state or nation
7. Contains elements of design, detail, materials or craftsmanship which represent a significant innovation
8. Is a part of or related to a square or other distinctive element of community planning
9. Represents an established and familiar visual feature of the neighborhood or community
10. Has yielded, or may be likely to yield, information important in pre-history or history
