

APPLICATION FOR SPEED LIMIT EVALUATION

- Mr.
- Ms.

NAME (FIRST, LAST) _____ DATE _____

ADDRESS _____

CITY _____ STATE SC ZIP CODE _____

PHONE _____ EMAIL _____

SUBDIVISION NAME (IF APPLICABLE) _____

National research confirms 85% of all drivers will travel at the speed they are most comfortable. This is known as the 85th percentile speed and it is typically used to establish the speed limit. Therefore, raising or lowering the speed limit is only warranted by a traffic engineering study.

Additionally, 25 mph is the lowest speed Greenville County will post. This is based on national research which confirms 25 mph is the slowest speed a driver can travel without having to "ride the brakes."

ROAD REQUESTED FOR SPEED LIMIT EVALUATION

ROAD NAME	FOR OFFICE USE						
	DIST	RD ID	LENGTH	PSL	ADT	85 th	Suggested SL
