

Environmental Education Grant Opportunity!

The Greenville County Soil and Water Conservation District has mini-grants available, up to \$250, to support conservation projects and youth environmental education in Greenville County schools or informal educational institutions. Faculty, staff members and PTO/PTA officers of schools and other educational institutions in Greenville County are eligible to apply.

Applications must be received by **November 15, 2013**. Project work and the expenditure of funds must be completed by June 30, 2014.

The application is attached, or visit

http://www.greenvillecounty.org/soil_and_water/students_teachers.asp

Past grant recipients' funding went toward Trout in the Classroom projects, providing indoor plants to improve air quality, installing outdoor classroom components, and restoring nature trails.

For more information, contact JC Ward at jcward@greenvillecounty.org or (864) 467-2755 ext. 103.
